## THERMIQUE ANNOUNCES NATIONWIDE NETWORK OF SALES REPRESENTATIVES

---

*Thermique Heated Glass Towel Warmers Now Available in Luxury Showrooms*

**CHICAGO, Ill. (September 16, 2008)** — Thermique Technologies has unveiled the nationwide network of sales representatives who will bring the new, freestanding Thermique Towel Warmer to kitchen & bath showrooms and eager customers from coast to coast, including Canada. With its patented heated glass design, Thermique offers homeowners, hotels, and spas the most beautiful towel warmer on the market today.

Thermique is a world leader in the development of heated glass technologies and products, including the award-winning Thermique Towel Warmer. With beautiful heated glass in a colorful freestanding frame, Thermique Towel Warmers are an exciting design element for interior decoration as well as a source of soothing luxury in the form of perfectly heated towels and linens. Thermique has entered into exclusive territory agreements with seven representative agencies from New England to California, including all areas of Canada.
